

Vee Packing

Guide and Price List

Multi Lip Sealing Sets

Vee Rings and Adaptors

Over 1,200 Sizes and Styles

How to use Catalog and Price List

1) Find Desired Size ID and OD:

2) Determine build for desired Stack Height :

3) Pick style and material

4) Record PTNO's and add up prices for your build

Vee Packing							
Size ID	X	Size OD	Material	Style	Description	Price	PTNO

HOW TO OPEN AN ACCOUNT WITH PRECISION PACKING

1. Request a credit application by phone, or email cs@precpack.com (customer service)
2. Complete and return to us for review.
3. We will get back to you within 24 hours with your new account number and credit limit.

Ordering from Precision Packing is easy:

Order online: WWW.PRECPACK.COM

1. Create a User name and Password on our website.
2. Or place an order as a Guest.

Email your PO# to CS@PRECPACK.COM

You will receive an acknowledgement back with what you have ordered on your PO. along with current price and shipping date.

Customer Service Call Center Hours: Monday - Friday 8:00 am - 5:00 pm

Phone: 1-586-756-8700

EMAIL: CS@PRECPACK (Customer Service)

We have in house tooling capabilities and are able to provide a quote for items you may need that are not listed.

Contact customer service for details.

RETURNS

Before an item can be returned, an (RMA) will be needed.

Return Material Authorization must be obtained from CS@PRECPACK.COM

All packages must include this RMA number. Parts returned will be subject to a 20% restocking fee, and must be returned, in resalable condition with original packaging, within 30 days.

CREDIT POLICY

Our payment terms for all open accounts are net 30 days. Outstanding accounts reaching 45 days past due from the Invoice date will automatically be changed to C. O. D account until the past due amounts have been paid. Accounts reaching 60 days past due from the Invoice date will automatically be changed to CREDIT HOLD STATUS until all past due amounts have been received.

Lead Times

Most products will be shipped 1 - 2 business days. Our facility allows us to keep plenty of stock on hand. If products are out of stock, we will manufacture in our facility, here in Warren, Michigan and get that shipped within one week.

Standard Conditions of Sale

- 1) Seller warrants that the products (or materials) delivered hereunder meet Seller's standard specifications for the products or such other specifications as may have been expressly agreed to herein. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESSED OR IMPLIED WARRANTY. Buyer assumes all risk and liability resulting from use of the products delivered hereunder, whether used singly or in combination with other products.
- 2) No claim of any kind, whether as to products (or materials) delivered or for non-delivery of products, and whether or not based on negligence, shall be greater in amount than the purchase price of the products in respect of which damages are claimed; and failure to give notice of claim within thirty (30) days (or such other period as may be provided in the Special Conditions of Sales referred to in Condition 10 hereof) from date of delivery or the date fixed for delivery (in case of non-delivery), shall constitute a waiver by Buyer of all claims in respect of such products. No charge or expense incident to any claims will be allowed unless approved by an authorized representative of Seller. THE REMEDY HEREBY PROVIDED SHALL BE THE EXCLUSIVE AND SOLE REMEDY OF BUYER, AND IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT CAUSED BY OR RESULTING FROM THE NEGLIGENCE OF SUCH PARTY.
- 3) No liability shall result from delay in performance or non-performance, directly caused by circumstances beyond the control of the party affected, including, but not limited to, Act of God, fire, explosion, flood, war, act of or authorized by any Government, accident, labor trouble or shortage, inability to obtain material, equipment or transportation. Quantities so affected may be eliminated from the agreement without liability, but the agreement shall remain otherwise unaffected. Seller shall have no obligation to purchase supplies of the products (or materials) specified herein to enable it to perform this agreement.
- 4) It is further understood and agreed between Buyer and Seller that if this agreement covers products (or materials) that must be necessarily be manufactured especially for buyer and is suspended or terminated for any reason, Buyer will take delivery of and make payment for such products as have been completed and such as are in process on the date notice of suspension or termination is received by Seller; provided, that if Buyer for any reason cannot accept delivery of such products, he will make payment therefore as though delivery had been made and seller will store such product for Buyer's account and at Buyer's expense.
- 5) If for any reason Seller is unable to supply the total demand for products (or material) specified herein, Seller may distribute its available supply among any or all purchasers, as well as departments and division of Seller, on such basis as it may deem fair and practical without liability for any failure or performance which may result therefrom.
- 6) If any Government action should place or continue limitations on the price provided for in this agreement such that it would be illegal or against public or Government policy for Seller to charge, assess or receive the full amount of or to increase such prices as determined by this agreement, then Seller shall have the option (1) to continue to perform under this agreement subject to such adjustments in prices that Seller may deem necessary to comply with such Government action. (2) to revise this agreement, subject to Buyer's approval, in order to most nearly accomplish the original intent of this agreement or (3) to terminate performance of the affected portions of the agreement without liability for any damages.
- 7) At Buyer's request, Seller may furnish such technical assistance and information as it has available with respect to the use of the products (or materials) covered by this agreement. Unless otherwise agreed in writing, all such technical assistance and information will be provided gratis; however Buyer assumes sole responsibility for results obtained in reliance thereon.
- 8) The Buyer shall reimburse the Seller for all taxes, excises or other charges which the Seller may be required to pay to any Government (National, State, Local) upon the sale, production or transportation of the products sold hereunder.
- 9) In the event Buyer fails to fulfill Seller's terms of payment, or in case Seller shall have any doubt at any time as to Buyer's financial responsibility, Seller may decline to make further deliveries except upon receipt of cash or satisfactory security.
- 10) In addition to the Standard Conditions of Sale set forth herein, any Special Conditions of Sale set forth in the Invoice on reverse side hereof, for the products (or materials) covered by this agreement shall apply and are incorporated by reference herein.
- 11) This document contains all of the terms and conditions with respect to the sale and purchase of the products (or materials) sold hereunder. These terms and conditions supersede any of previous date and no modification thereof shall be binding on Seller unless separately contracted in writing and agreed to by a duly authorized representative of Seller. No modifications shall be affected by the acknowledgement or acceptance of purchase order forms stipulating different conditions. Unless Buyer shall notify Seller in writing to the contrary as soon as practicable after receipt of this document by Buyer, acceptance of the terms and conditions hereof by Buyer shall be indicated and, in the absence of such notification, the Buyer's assent to the terms and conditions hereof. Waiver of either party of any default by the other hereunder shall not be deemed a waiver by such party of any default by the other which may thereafter occur.

CHECKING STACK HEIGHTS: Precision Packing uses ANSI B93.17.1979 Method 1 for measuring Stack Heights. To measure proper Preload use Method 1 Formula: $P=(Dm)x(CS)x8$
P= Preload, Dm= Mean Diameter, CS = Cross Section

* The manner in which you use and the purpose to which you put and utilize our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. This application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us. Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sales. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with patents covering any material or its use. No license is implied or in fact granted under the claims of any patent.

Dimensions are for Standard Rings and Adaptors

CHECKING STACK HEIGHTS: Precision Packing uses ANSI B93.17.1979 Method 1 for measuring Stack Heights. To measure proper Preload use Method 1 Formula: $P=(Dm) \times (CS) \times 8$
P= Preload, Dm= Mean Diameter, CS = Cross Section

* The manner in which you use and the purpose to which you put and utilize our products, technical assistance and information (whether verbal, written or by way of production evaluations), including any suggested formulations and recommendations are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. This application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoint. Such testing has not necessarily been done by us. Unless we otherwise agree in writing, all products are sold strictly pursuant to the terms of our standard conditions of sales. All information and technical assistance is given without warranty or guarantee and is subject to change without notice. It is expressly understood and agreed that you assume and hereby expressly release us from all liability, in tort, contract or otherwise, incurred in connection with the use of our products, technical assistance, and information. Any statement or recommendation not contained herein is unauthorized and shall not bind us. Nothing herein shall be construed as a recommendation to use any product in conflict with patents covering any material or its use. No license is implied or in fact granted under the claims of any patent.
