HAWKEYE STUDIO INFORMATION

About Hawkeye Studio Hire:

Hawkeye Studio is set up with the needs and requirements of photographers and camera operators in mind whilst providing adequate space for clients and any additional crew, cast & models.

The studio is located on the first floor with easy access for deliveries and equipment (no lift) & has a flat solid concrete floor, located in a quiet area and can be blacked out if required. Please be aware that the studio is not soundproofed and we cannot be sure that any businesses in the area will be quiet during shoots.

Hawkeye Studio has lighting, grip equipment and backgrounds available for hire as a separate negotiation, please get in touch to let us know what you might need and additional equipment can be hired on the day. Skylights and large circular window provide daylight (can be

The Studio is approximately a 10-minute walk from Bath Spa train/bus station and less than a 5-minute walk from the city centre and shops. The M4 (Junction 18) is roughly a 15-minute drive away.

One parking space is available with prior notice. There is a loading bay for short stay drop offs and collections. Other parking is at The Podium (covered) or The Cattlemarket (outside & good for taller vehicles) is 2-3 minutes walk.

Please note that a representative of Colin Hawkins photography will be in the premises at all times while the studio is being hired
