

LMN

Environmental Policy

1. Policy Statement

- 1.1 LMN recognises that it has a responsibility to the environment on both legal and moral terms. We are committed to reducing our environmental impact and continuing to improve our environmental performance as an integral part of our business strategy.

2. Responsibility

The Directors are responsible for ensuring that the environmental policy is implemented. However all employees, agents of the company and subcontractors have a responsibility to ensure that the aims and objectives of the policy are met.

3. Policy Aims

We will endeavour to;

- Comply with and exceed all relevant regulatory requirements.
- 3.1 Improve and monitor environmental performance and reduce environmental impact.
 - 3.2 Increase employee awareness.
 - 3.3 Minimise the use of paper in the office and all company activities.
 - 3.4 Reduce packaging as much as is possible.
 - 3.5 Use recycled products and reuse materials wherever possible.
 - 3.6 Reduce the amount of energy used.
 - 3.7 Ensure that all electrical appliances and lighting are switched off whenever possible.
 - 3.8 Reduce heating wherever possible.
 - 3.9 Use only energy efficient materials and tools in processing our works.
 - 3.10 Dispose of any waste in a safe and responsible way.

LMN

Environmental Policy

- 3.11 Sustain the use of renewable natural resources and conserve non-renewable resources through efficient use and careful planning.
- 3.12 Minimise and, wherever possible, eliminate the release of any pollutant that may cause environmental damage to the air, water, earth or employees and people in the vicinity.
- 3.13 Select materials which are more environmentally friendly wherever possible.
- 3.14 Reduce the need to travel by employing operatives local to the workplace wherever possible.
- 3.15 Reduce the need for deliveries by careful planning.

4. Implementation

- 4.1 We will involve the staff in the implementation of this policy for greater commitment and improved performance.
- 4.2 We will update this policy at least once annually.
- 4.3 We will work with main contractors, suppliers, employees and subcontractors to improve their, and the collective, performance.
