## Universal Sai Association

2. Yoga and library center: Obtain Philosophical and spiritual literature from all over the World.

3. Satcharitra parayana and Music Center with audio and video facilities.

4. A public and health information center, with aided help to needy. Ex: Hospice Center for terminally ill patients. Health care professionals will be trained, with advanced education to serve in association with international organizations; such as World Health Organization (WHO), Center for Disease Control and Prevention (CDC, USA), United Nations organization (UNO) and its affiliates.

As the association is for a noble cause as blessed by Sai and, with the best wishes from prominent Sai devotees, the Universal Sai Association(USA) can, not only strengthen its activities, but also progress in achieving its goals to world peace.
