

Love Universal Sai

It is Shirdi Sai, who is in the light of every planet,
Capture that light and put tight in your heart,
Love and live, that what 'Satcharitra' taught,
In that love He lives; find Him and meditate.
Shradha Saburi' is what preached the divine Fakir,
Fakir He is, but God took this incarnation for sure,
Satchritra narrates His power and each and every problem cure,
All religions reflect in Him as a saint and, divinely pure.
Believe in Sai Baba's Grace; in return we get peace;
A peace for which celestials compete with race,
Accept Him with love, enjoy Divine Bliss and Solace,
Surrender to Him; in His motherly hands, you relax.
Aware of His miracles, and enjoy His devotees Association,
Share your peace with others in a Spiritual and Divine relation,
Prepare to carry His preaching and peace to every nation,
Come let us March, together, with Universal Sai Association (USA).
In association with all who love Shirdi Sai.
