

2026 Guilford Park High School Reindeer Run Crusher 5k Sponsor Request

The Guilford Park High School (GPHS) Boosters is seeking sponsors to support our 4th Annual Reindeer Run Crusher 5k on December 19th, 2026. As a 501(c)3 supporting the students of Guilford Park, the Boosters play a critical role in the success of our 4-year-old high school. Our organization raises funds to support the athletic teams, clubs, and theater, band, and performing arts departments of GPHS. Uniforms, athletics equipment, and competition entrance fees are often the responsibility of the individual organizations, as HCPSS funding is limited for these extracurricular activities.

The Boosters are seeking sponsors for this holiday themed 5k that is taking runners THROUGH the Savage Stone Quarry for a unique experience. Our goal this year, with the support of our sponsors, we are aiming for 200+ participants, and coordinating inter-school competitions with our fellow Howard County schools.
