Safe Sanctuary

Policy for Safe Ministry with Children/Youth and Vulnerable Adults

Our calling and our mandate is to ensure safe sanctuary for God's people.

Purpose and Scope

Our congregation's purpose for establishing this policy is to demonstrate our unwavering commitment to create within our ministries a "safe sanctuary" that will foster healthy growth and development for all children/youth and vulnerable adults. We pledge to conduct the ministry of the gospel in ways that assure the safety and spiritual growth of all our children/youth and vulnerable adults as well as all those who work with them. We commit ourselves as a community of faith to this policy of safety for children, youth and vulnerable adults.

As Christians, we are called to create a safe sanctuary in our churches. They must be holy, safe, and protective communities for all of God's children, regardless of age or ability. The purpose of this policy is to address the safety of our children and youth church sponsored events. St. Matthew's United Methodist Church recognizes the need to have a formal, written policy with procedures in place (1) to help prevent the opportunity for the occurrence and/or the appearance of abuse of children and youth and (2) to help protect workers from false accusations and/or suspicions.

The following policy and procedures are not based on a lack of trust in workers, but are intended to protect our preschoolers, children, youth, workers, employees, volunteers and the entire church body. Careful and confidential documentation is essential to show compliance with policies, to verify information as needed, and to have an accurate record in the case of an incident.

This policy and its provisions shall apply to all persons including all paid and unpaid leaders, whether lay or clergy who have any direct or indirect contact with children and youth who participate in any activities or events sponsored by St. Matthew's UMC. Each local church is required to adopt a Safe Sanctuary policy for their church by December 31, 2005 and submit the policy to the district and conference. This Safe Sanctuary policy shall be available on the church's web site, the Church office and in the Narthex.

D. Articulate appropriate disciplinary procedures for maladaptive behaviors;

- Children and youth should be made aware that appropriate behavior is expected at all church events. Gentle reminders are always necessary when dealing with children and youth. When these reminders don't work, then discipline needs to move to the next step.
- A reasonable response might include a period of "time out" for the child or youth. This should be done with necessary supervision keeping safe sanctuary guidelines in mind. In no case is physical discipline an appropriate measure to deal with problems.
- Parents need to be kept up to date on their child's behavior. For serious offenses, the appropriate response will be to make proper arrangements for the child or youth to be picked up by a parent or guardian immediately or safely sent home if not on site.

- No trained adult volunteer or youth volunteer ever shall inflict physical punishment or otherwise abusive action (including but not limited to pops, hand slaps, use of belts or rulers to inflict pain or verbal abuse) as a form of disciplinary action upon a child in their care at or on behalf of St. Matthew's or offsite for ministry events. Use of corporal punishment or abusive action, including verbal abuse is grounds for immediate dismissal of the adult volunteer or staff
- Under NO CIRCUMSTANCES will any physical discipline be used. Spanking, squeezing, pinching, hitting, and shaking are strictly prohibited. If a child is exhibiting extreme behavior, the coordinator, if applicable, will be notified to oversee any consequences or removal from the group.
- Under NO CIRCUMSTANCES will rude or abusive language be used. This includes calling a child a name even in jest, saying "shut-up," making fun of a child or teasing. Humiliation or shaming of a child in any form is never allowed. No vulgar language is allowed while on church property.
