Throughout the year Shoestrings instructors will be recognizing student dancers for 'Wow' moments. These moments can be anything from helping a friend in class to mastering a difficult step. Our instructors will reward the students by placing their picture on our 'Student Spotlight' wall. All students featured on the wall will be invited to dance as a group in our June recital.

Dear Shoestrings Families,

The recent wildfire in Paradise, California destroyed over 18,000 homes and businesses, and our prayers are with the many families who lost loved ones or whose friends and family are still among the missing.

Now, as families in Paradise struggle to restore a sense of normalcy, many are finding that their businesses are lost and the simple things they've depended on are all gone.

Shoestrings Studio has found a way to help and we hope you will join us.

We have been in touch with Valerie Leidig, the owner of Revolution Dance Studio in Paradise, CA. When we last spoke, Valerie had been evacuated from her home and was unsure if her studio was still standing. But many of her students had lost their homes, and with them, the personal affects they'll need to get back on the dance floor: dance shoes, tights, costumes and more.

We will be accepting donations to support our fellow dancers in Paradise, CA. We welcome new or gently used dance supplies such as:

Dance shoes
Dance clothes/Workout wear
Dance bags

You may also donate cash so that we can purchase additional dance supplies for students affected by this tragedy.

In light of this disaster, and especially at this time of year, we are so thankful for the privilege of teaching your children about teamwork, community and the gift of dance. Thank you for being a part of our Shoestrings family.

Wingman For Dance Program

Shoestrings is also proud to announce that we are now a member of The Wingman for Dance program. This program was created by a dance teacher who was affected by the Sandy Hook Tragedy who thought how she can use dance as a platform to spread a positive message to our children. *The mission of Wingman for Dance is to inspire dancers, regardless of age, level or skill to become helpful heroes that go above and beyond for each other. Wingman boosts children's confidence and recognizes their unique strengths. (Wingman For Dance).* We will implement Wingman activities monthly to our entire studio. I feel that the studio has the ability to teach children how to be great leaders, compassionate individuals that will go on to do awesome things in their future. Studying dance is not only about steps and costumes, but it is a way to build confidence that can stay with you through your life.
