IMPORTANT INFORMATION AND CLIENT CONSENT: Please read and sign at the end stating you have fully read and understand the information below.

Professionals Include:

CLIENT/THERAPIST RELATIONSHIP: You and your Therapist have a professional relationship existing exclusively for therapeutic treatment. This relationship functions most effectively when it remains strictly professional and involves only the therapeutic aspect. Your Therapist can best serve your needs by focusing solely on therapy and avoiding any type of social or business relationship. Gifts are not appropriate, nor is any sort of trade of service for service. Contact or requests thru social media sites will not be accepted or replied to.

AVAILABLE SERVICES: The Counseling Shop offers a wide array of counseling services, including individual, couples, adolescent and senior services. We are staffed by skilled and experienced licensed independent clinical social workers. Effective psychotherapy is founded on mutual understanding and good rapport between client and therapist. It is our intent to convey the policies and procedures used in our practice, and we will be pleased to discuss any questions or concerns you may have.

RISKS AND BENEFITS: Counseling and psychotherapy are beneficial, but as with any treatment, there are inherent risks. During counseling, you will have discussions about personal issues which may bring to the surface uncomfortable emotions such as anger, guilt, and sadness. The benefits of counseling can far outweigh any discomfort encountered during the process, however. Some of the possible benefits are improved personal relationships, reduced feelings of emotional distress, and specific problem solving. We cannot guarantee these benefits, of course. It is our desire, however, to work with you to attain your personal goals for counseling and/or psychotherapy.

COUNSELING: We provide short-term counseling designed to address many of the issues our clients are dealing with. Your first visit will be an assessment session in which you and your Therapist will determine your concerns, and if both agree that The Counseling Shop can meet your therapeutic needs, develop a plan of treatment. Should you choose not to follow the plan of treatment provided to you by your Therapist, services to you may be terminated.

The goal of The Counseling Shop is to provide the most effective therapeutic experience available to you. If at any time you feel that you and your current Therapist are not a good fit, please discuss this matter with your Therapist to determine if transferring to a more suitable Therapist is right for you. If you and your Therapist decide that other services would be more appropriate, we will assist you in finding a provider to meet your needs.

APPOINTMENTS: Appointments are typically scheduled for every other week and are approximately 50 minutes long. More frequent sessions or an intensive outpatient schedule are available if determined appropriate by your Therapist. If you must cancel or reschedule your appointment, we ask that you call our office at least 24 hours in advance, whenever possible. This will free your appointment time for another client. Failure to give 24 hours notice of cancellations may result in being charged for the session.

If you are using insurance benefits, The Counseling Shop will file insurance claims for you, and we will honor any contractual agreements with managed health care companies that have specific reimbursement restrictions and claim requirements. If you are not using a Managed Care/PPO/HMO insurance plan and wish to file your own claim, we expect full payment at the time of service, and we will provide you with a statement for services rendered. Monthly payment arrangements are available if needed for clients who have established a payment record for three months.

EMERGENCIES: You may encounter a personal emergency which will require prompt attention. In this event, please contact our office regarding the nature and urgency of the circumstances. We will make every attempt to schedule you as soon as possible or to offer other options. Because clients may be scheduled back-to-back, it is not always possible to return a call immediately. However, we will make every effort to respond to your emergency in a timely manner. If your emergency arises after hours or on a weekend, you may call your therapists cell phone 763-229-4933. Please utilize this cell number in the event of a serious crisis, and your Therapist will call you back as soon as possible. If you are experiencing a life-threatening emergency, call 911 or have someone take you to the nearest emergency room for help. When your Therapist is out of town, you will be advised in advance.
