

# Me and My Mini 2023 Program

**Program Goal:** To promote the miniature horse to the public by encouraging members to participate with their miniatures in the public venue and to participate in Club activities/meetings

**Me and My Mini** is a great way for you to earn awards for participating in club and other public events. This program recognizes the personal achievements and benefits of multiple miniature horse activities. It is for any age member.

**Eligibility:** You must be a current member of MHAA. Board members may participate, however Board meetings are excluded from point earnings. Events or services that are monetarily reimbursed to the participant (except prize awards) are not eligible for points.

Any miniature horse under 38" is eligible, whether registered or not.

**Enter as a team. Only one person and one mini per entry.**

**Awards:** End of year awards will be given based on participation.

**Points:** Each individual is required to track their own points as they occur by using the official form. You must turn in your point form the first of every month. See instructions on form.

**Participation Fee: \$20      NOTE: Only one mini and one person per per entry**

**--- You cannot tally any points on events previous to receipt of payment---**

As soon as the payment is received by the club treasurer, you may start tallying points. If you pay with a check and want to start tallying points immediately, you are encouraged to picture the check with your phone and text to 563-357-6146 before mailing, or send payment thru PayPal to MHAEmail@gmail.com

**Eligible Events: note some are mandatory for year end award eligibility**
