To Our Wonderful Sponsors,

Our Club, the Miniature Horse Association of Arizona, is looking for donations for our silent auction and raffle, along with sponsorships. MHAA is a 501©3 non- profit organization (tax ID#86-0794927).

Our club promotes the miniature horse by putting on educational clinics, competing in shows, providing therapy services to senior citizens and veterans, joining parades, and a variety of other disciplines. We also offer fun shows and trail driving events. We are promoting events and activities that the miniature horse excels in.

Our club likes to focus on our youth, amateur, and persons with special needs; our show offers a variety of classes which are just for these competitors to join. We are in need of monetary sponsors and donations of items for our silent auction and raffle to help award its participants for their dedication and involvement with their miniature horses. At MHAA, all of our events and activities are open to the public. We are always looking for new members that want to share in our passion and dedication for this amazing breed of horse.

If you can help us in the endeavor please contact:
