

Gentle Detox

During this experience you will explore diverse ways to detoxify the body and how to prime your drainage pathways to ensure the best possible outcome. Before this class you will receive a test-prep protocol to arrive ready for the non-invasive RBTI (Reams Biological Theory of Ionization) method to gauge your physiological readiness to begin a detox. This is all important for your success. Each guest will also experience the dry AO Infinity Foot Detox that uses radio frequency to accelerate your metabolism, so toxins and waste are broken down and sent to the liver for elimination.

You will leave with an **8-week drainage/detox kit** plus a homeopathic remedy for an **Emotional Detox** that is tailored to your needs and specific instructions on how to proceed. You will also receive a 20% off coupon for any other in-barn purchases made during this event.

This a 2+ hour experience.

This price includes everything above (\$250 for supplements per person not including free testing valued at \$25 & free foot detox valued at \$40.) You will also enjoy a delicious cup of tea, a light snack, and a glass of high energy Hydrogen/MRTE Quantum water.
