**Remarks:** The big-ticket items are handled! New vinyl siding + roof mean the heavy lifting is done. What's left is the fun stuff: Making it yours! This classic four-square sits on a lot that quietly overdelivers. Out back, you're looking at public lowland: No rear neighbors + a natural corridor that's ideal for watching wildlife. Detached 2.5-car garage is the kind of year-round workspace hobbyists dream about. Beyond that, a chicken coop/storage barn is ready for whatever your property goals look like. Three bedrooms, two full baths, new screens, re-wrapped windows, and a gravel driveway round out a property that's been invested in -- and is ready for a buyer who wants space, function, and room to add their own touches. Not on the railroad tracks; no backyard neighbors. Room to breathe.

**Inclusions:** refrigerator, stove/range, microwave, dishwasher, washer/dryer, pellet stove, water softener-owned
