Appendix 14

Site Induction for Drivers

Dixon Quarry Group – Haerses Road

SITE INDUCTION DECLARATION FOR DRIVERS

The development consent outlines specific requirements for quarry activities. It is in the interests of both the customers and Dixon Quarry Group that these requirements are met to allow the quarry to maintain operational compliance as well as a good and safe working environment.

RESPONSIBILITIES

I have read and understood the Dixon Quarry Group Site Traffic Management Plan, specifically:

- I am aware of my responsibilities as laid out in Dixon Quarry Group Site Traffic Management Plan.
- I agree to follow the site rules at Dixon Quarry Group Maroota Quarries.
- I am aware of my responsibility to notify Dixon Quarry Group of any potential hazards.
- I am aware that I am to limit the use of engine brakes in built up areas.
- I am aware that I am not to arrive or leave site prior to 6:00 am or leave site after 6:00 pm.

In addition;

- I have read and understood the Dixon Quarry Group Health and Safety Policy (DS-SAF-POL-00001).
- I have read and understood the Dixon Quarry Group Environmental Policy (DS-ENV-POL-00001).
- I have read and understood the Dixon Quarry Group Alcohol and Drug Policy (DS-SAF-POL-00002).
- I have read the understood the other relevant attachments to this induction

I understand that this document may be used to provide information to the relevant Government Agencies if requested.

DECLARATION: I have read the understood the above summary of responsibilities. Copies of the above site rules, policies and procedures can be provided if requested by drivers.
