[GO FUND ME: PAGE BY PAGE THE LIBRARY](#) Current restoration project at the Flora School is the library. We don't have quite as many books as the picture shows, but close. Due to "And Books Too!" in Clarkston WA (visit them in person or online for used and new books), we continue to receive more to stock our library and sell to those interested. Funding through GFM has reached over \$500. Help it grow by donating to restore the library so everyone can use it. Come help during a work party too if you can.
