ALIGN YOUR RETIREMENT STRATEGY WITH YOUR RETIREMENT DREAMS.

RETIREMENT CHALLENGES:

Living Longer – Am I going to outlive my money?

Taxes – Are there tax implications for my retirement?

Market Uncertainty – Is market volatility and low interest rates eroding my retirement?

Where is my money coming from – What can I do with my Deferred Retirement Option Plan (DROP) and/or Deferred Compensation?

Let's assess your situation. Develop a strategy, and help you build a secure future.

Autumn Horoscopes

Aries (March 21 - April 20) Allow others time to understand you in relationships. It is time to enlarge your social circle. You should be pragmatic in your expectations from relationships and may be disappointed by pitching high.

Taurus (April 21 - May 20) You should have self-confidence in your dealings. You should be aggressive in getting what you want. If necessary, you should make the necessary alterations to your basic personality. The beginning of the season is propitious for getting into love instinctively.

Gemini (May 20 - June 21) You will get opportunities to learn from your mistakes. You should have a positive frame of mind and try to extract good things from bad experiences. You will receive opportunities to excel yourself while facing hardships.

Cancer (June 22 - July 22) Be truthful in your relationships. New love partnerships and business projects should be based on confidence. You can count on help from stellar influences. It is important to believe in your capabilities and make quick decisions.

Leo (July 23 through August 22) Life will be peaceful if you listen to your spouse and close friends. You should not allow your self-esteem to get in the way of taking advice from your close relations. You like to be in the limelight and there will be many opportunities.

Virgo (August 23 - September 22) Make alterations to your lifestyle. Have faith in yourself, if you want success in life. Be enterprising and make things happen. Though in matters of love your attitude will be complex, there is no doubt about your sincerity. Even minor disagreements will tend to put you off, and you will lose your sensibility in the 2021 Mercury retrograde.

Libra (September 23 - October 22) Make suitable corrections for your relationships to grow. If that is not possible, look for a better alternative. You are looking for excitement and will try out new things. Astral positions like the 2021 Mercury retrograde are not beneficial and this will result in bad relationships with colleagues.

Scorpio (October 23 - November 22) You should not expect too much from others or yourself. This will make life lot easier. Look for good attributes in others, and this will help your relationships. The season is encouraging for mutual understanding. Keep harmony with family members and this will help you to live a peaceful life.

Sagittarius (November 23 - December 21) This season is propitious for meeting new people and enlarging your social network. You can expect compassion and happiness from these friendships. Family affairs will be on the agenda during the first half of the season. The second half of the season is favorable for sorting out all the problems.

Capricorn (December 22 - January 20) Look at the big picture in life. Do not be deterred by minor disappointments and be courageous enough to handle bigger things. Be more adventurous, and do not forget to enjoy life. The beginning of the season will be peaceful, and you will progress slowly.

Aquarius (January 21 - February 18) Have faith in divine grace. You will definitely find bliss in life. The time is propitious for commencing new ventures. You have the guts and will not hesitate to take tough decisions. The course of your life can be dictated by your fortitude.

Pisces (February 19 - March 20) The timing is favorable for enjoying happiness. You will have the stellar support for love partnerships as well as business ventures. There may be minor break-ups, and getting back together will be more refreshing.
