January 2026

Dear Friends of the Keyport GardenWalk,

We are delighted to share that plans are underway for the **2026 Keyport GardenWalk**, taking place on **Saturday, June 6, 2026**. This beloved, *free* public event continues to grow in popularity each year—made possible through the generosity of our sponsors and the dedication of our volunteers.

Since its inception in 2012, the GardenWalk has grown from a local, small garden tour into one of the premier tourist attractions in the historic Borough of Keyport, NJ. Each year, this event draws **thousands of visitors** from across the tri-state area to explore our public spaces, private retreats, and the environmentally vital gardens along our waterfront. In 2025, visitors enjoyed more than **35 private gardens**, an artisan and educational market with local artisan vendors & environmental organizations, Master Gardener speakers, children's activities, displays of local student art, and a complimentary trolley. Your support plays a vital role in bringing this joyful event to life and ensuring it remains **free and open to all**.

As we look forward to the 2026 Keyport GardenWalk, we invite you to join us as a community sponsor. We are incredibly grateful for the continued support of our returning partners and are eager to welcome new friends who share our passion for community, creativity, and nature. To show our appreciation, all sponsors will be highlighted across our advertising, event signage, and promotional campaigns.

To be included in our 2026 promotional materials, please return your completed sponsorship form by **March 1, 2026**. A sponsorship form and return envelope are enclosed for your convenience.

The **Keyport Garden Club**, founded in 2008, is a registered **501(c)(3) nonprofit organization**. Since launching the GardenWalk in 2012, the event has received numerous accolades, including the *Asbury Park Press Readers' Choice Award for Best Outdoor Amusement*.

Thank you for considering this opportunity to support one of Keyport's most cherished events. If you have any questions or would like additional information, please contact us at **KeyportGardenClub@gmail.com** or call our GardenWalk hotline at **732-497-2507**.

With warmest regards,

**Alexandra Yanosh**  
President, Keyport Garden Club
