

Established in 2012, Keyport Gardenwalk is a FREE (2) day Annual Public Event celebrating gardens of the NJ Bayshore in Keyport, NJ.

Impact Highlights

-  Draws thousands of visitors from the tri-state region and beyond, to the quaint historic bayshore town of Keyport, NJ, once a world leader in Oyster production, to view personal gardens in-person and up close.
-  Promotes environmental stewardship and lifestyle, through educational talks led by garden experts
-  Supports green initiatives, by encouraging participants to get outdoors and bike or walk through the 1.46 square mile town of Keyport
-  Promotes the arts, through collaboration with Musicians on a Mission, a local 501(c)(3) organization that exists to create connection and inspire giving through music, by providing live music and showcasing local NJ Performers.
-  Evokes greater community connection, through partnerships with other local organizations, such as Keyport Bayfront Business Cooperative, The Keyport Historical Society, The Friends of the Library (Promoting community, culture, and library love), The Keyport Green Team, the Monmouth County Master Gardeners, and more!
-  Named 'The Best Family Attraction' by the Asbury Park Press
Promotes Bayshore cultural tourism and regional awareness.
