FINE PRINT: Shop supplies are added to all service procedures. Bottom Wash, Engine Tune-up and Sterndrive Maintenance are NOT available during the spring launch. If you wish to have these services performed prior to the next boating season, then please make your selection now. There is an additional fee to commission domestic systems that WAM does not decommission. Lowering and storing camper canvas for shrink wrap will automatically be invoiced at the above rate, if not selected. An equipment fee is invoiced for all non-storage related boat movements. This fee is based on the overall length of the boat and ranges from \$5 to \$10 per foot. Please note that your haul date may be several days after your last day of boating.
