Note Reflections of Fripp Art Show has 3 parts:

- 1. General Show that allows our members to exhibit and sell their artwork.*
- 2. Oyster Art Contest to kick off that we are hosting the New Year Eve's Oyster Roast. Contest Rules on posted on our website.*
- 3. Student Juried Show that encourages both high school and college students to be creative.*

Important Things to Remember on Show Day

- Expect a day of steady visitors
- Practice your sales & checkout flow in advance; streamline or delegate to your helper.
- Wear comfortable shoes and stay hydrated (seven-hour show).
- Bring backup batteries, chargers, and table lights (especially for jewelry/small works).
- Volunteers will circulate for quick breaks.
- Maximize time with customers to make the most of the event.

Membership Requirements The art show is open to members only except the addition of our student section, underscoring the value of joining the Guild. Your membership dues, along with the small percentage paid from art show sales, keep our organization thriving. These funds allow us to create opportunities, host guest artists, and fund workshops.

Your FIAG# stays with you for all FIAG events and must appear on all labels/tags. Your membership level determines the commission percentage paid to the Guild from each sale.

Membership Codes: Core = C-12, Evergreen \$250 = E-9, Evergreen \$500/\$1,000 = E-6, Evergreen \$2,500 = E-3. Example: Joan Barnes - FIAG #2-E3 Examples of FIAG Commissions by Membership Level

Membership	FIAG %	FIAG Fee	Credit card fee (3%)	Total Fees	Net to Artist
