

Let's Get Creative Together

Pledge the Pink A SUCCESS STORY

The Pledge the Pink event was a tremendous success, raising over one million dollars, with the Fripp Island Art Guild contributing \$8,113.70 from our inaugural Art Show! As a newly established organization, this endeavor highlights the incredible talent and dedication within our community.

Our devoted members and volunteers generously donated art pieces, funds, time, and door prizes, while also transforming Julie Underwood's home, "Where the Party's At," into a stunning event space. We extend our heartfelt gratitude to Julie for her hospitality and the immense effort she and our members invested to ensure the event's success. In addition, a special thank you to Mary Segars and Tatiana Tatum for their delightful demonstrations during the occasion.

Together, we can continue to make a difference through the power of art and community spirit. Stay tuned for updates and opportunities to get involved, and we want to thank everyone once again for being a vital part of Pledge the Pink and our journey.

Be sure to visit our Art Guild Facebook page, where you can find many more wonderful photos from the event!
