Long Beach, CA ([PRWEB](#)) December 13, 2008 -- Robert Paisola learned his fate today. He was given the official green light by the governing body of TED, that he was the official newest member.

TED stands for Technology, Entertainment, Design. It started out (in 1984) as a conference bringing together people from those three worlds. Since then its scope has become ever broader.

The annual conference now brings together the world's most fascinating thinkers and doers, who are challenged to give the talk of their lives (in 18 minutes).

The TED Mission is simple, To Spread Ideas. By believing passionately in the power of ideas to change attitudes, lives and ultimately, the world the TED Organization realizes that it creating a clearinghouse that offers free knowledge and inspiration from the world's most inspired thinkers, leaders, motivators and experts, like Robert Paisola.

Robert Paisola is an International Motivational Speaker on the Art of Abundance and the Laws of Attraction; THE SECRET. He is the Author of five books including Conversations on Success with Dr. John Gray, and Dr. Steven Covey, the CEO of Western Capital ; MyCollector.com and is a recognized media expert in the areas of Consumer Credit and Timeshare Abuse.

His company, MyCollector.com works with clients around the world to even the playing field in times of business or personal crisis like a bankruptcy, foreclosure and the 2008 Financial Meltdown. Robert Paisola also serves as the Director of the Prison Partners and Robert Paisola Foundations.

As a Member of TED, Robert Paisola, will attend the annual "ThinkTank" event to be held in Long Beach, California on February 3-7, 2009, this years theme is TED: "The Great Unveiling".

Over four days, speakers each take an 18-minute slot and will present to fellow achievers from around the globe, like Anthony Robbins, Al Gore, Bill Gates, and Jeffrey Katzenberg, among others who have attended in the past.

"Every so often it makes sense to emerge from the trenches we dig for a living, and ascend to a 30,000-foot view, where we see, to our astonishment, an intricately interconnected whole," said Paisola. "It is amazing to see the synergy that happens when connected with like minded people from around the globe. This is why I am so honored to be invited to attend this years event," he said.

TED is a community welcoming people from every discipline and culture who have just two things in common: they seek a deeper understanding of the world, and they hope to turn that understanding into a better future for us all.

What attendees say about TED

"Thank you a thousand times for inviting me to your wonderful TED conference. I regret not only that I was not at every moment of it, but especially that I missed all the previous ones! It was a great and stimulating experience as well as a lot of fun."

-- Rupert Murdoch, chair & CEO, The News Corporation

"At each TED conference something important happens to me: a new business, a new friend. I return exhilarated."

-- Nicholas Negroponte, director & co-founder, MIT Media Lab

"Sign me up for next year."

-- Al Gore, activist

"I wasn't prepared for this conference to be so profound. The combined IQ of the attendees is incredible."

-- Bill Gates, Microsoft

"It was \*%\$ING UNBELIEVABLE!!!! I can't tell you how much I got out of it. You did more for global warming than you can imagine!!! I have spoken to over a hundred people of importance that are coming on board to get the word out on our movie. Thanks again."

-- Lawrence Bender, producer

"A mind-opening experience. If it opens any more, I am afraid it will float past the ozone layer."

-- Amy Tan, author

"It was INCREDIBLE. I had a wonderful time and met a thousand fascinating people."

-- Malcolm Gladwell, author

"I came to the TED conference with the idea that I wanted to serve a really unique audience in an impactful way; but honestly I gained more than I could ever imagine personally from my attendance. I met so many people ... just phenomenal human beings who had a true social or contribution focus. I developed a lot of friends out of the group and learned an enormous amount."

-- Tony Robbins, motivator

"I wish I'd started coming earlier."

-- Richard Dawkins, biologist

"TED moments have been echoing in my brain ever since I left Monterey. A wonderful experience."

-- Dan Dennett, philosopher

"It was our first time. It was like drinking from a firehose."

-- Jay Dedman, ANT

"TED was simply wonderful, an intellectual spa, a 21st-century Chataqua, superb and singular."

-- Kurt Andersen, co-chair, Powerful Media

"What an amazing opportunity you gave me. I won't waste it."

-- Majora Carter, executive director, Sustainable South Bronx

"Words are inadequate to express my appreciation for the invitation to participate at the TED conference. It was one of the highlights of my entire life."

-- Billy Graham, evangelist

"Being a part of TED was a genuine privilege. I've never experienced anything remotely like it. I was entertained, educated, enthralled, moved, challenged, intimidated, humbled and most of all inspired!"

-- Jeffrey Katzenberg, partner, DreamWorks SKG

"Truly an amazing experience."

-- Joshua Prince-Ramus, architect
