If your dancer is interested in being considered for a solo, duo, trio- please check the box on their audition form. Forms will be at the studio on the day/time of your dancers audition.

Please keep in mind not every dancer interested in a solo, duo, trio will be given one. These considerations are based on dancers' attendance, work ethic and positive attitude. We also strongly consider a dancer's confidence and skill level. All decisions are made by the directors and are final.
