# **2024-2025 Full Year Season**

Marshall Mavericks Cheer enters our 6<sup>th</sup> year of competition in 2024-25. Our program seeks athletes aged 4-18 years old of all levels of ability. We foster a supportive environment focused on fun, teamwork, skills development, and family. The sport of competitive cheer aides in the development of our athletes' physical, social, and social-emotional skills and well-being.

The Marshall Mavericks have quickly established themselves as one of the premier competitive cheer programs in Upstate, NY. With several **National Champion titles** and an **International Champion title**, we are excited to welcome new athletes joining our teams.

Our cheer season kicks off in August and continues through May. Athletes compete in approximately 7 cheer competitions yearly. We travel within a 4-6 hour range and have one competition that will be more of a destination competition to end out our season.

**If you are on a team that earns a full paid bid to a National event we WILL be attending.**
