Last year was such an amazing year to witness as the exhibit had it's largest turnout to date! We're pleased to announce that we're returning to Church Street Christmas for this year and we've got amazing news! In addition to the \$1,200 prize pool for the adult competition, we're adding a youth category this year! First National Bank of Pasco has partnered up with us to provide cash prizes for a youth category! Check out our website for judging criteria and entry forms.

Business/Organization partnerships and advertisement opportunities are available for as little as \$100.00. Please see the business form on the website for details.
