

Commitment to Clarendon County – Seat 2

I am running for Clarendon County Council because we can do better — together.

Our roads need repair, our schools need stronger resources, and our small businesses deserve real support. With the right leadership, Clarendon County can move forward with purpose and progress.

My commitment is simple: invest in infrastructure, strengthen education, and create opportunities for local entrepreneurs to thrive. I'm not here to point out problems — I'm here to deliver solutions.

If you trust me with your vote, I will work tirelessly to build a stronger, safer, and more prosperous county for every family.

Together, we will move Clarendon County forward.

Leadership you can trust. Results you can see. Vote Hudson for **Clarendon County – Seat 2**.
