## TIP OF THE MONTH

A wedding would just not be the same without flowers. Every bride wants her wedding to be memorable and her choice of flowers should reflect her specific taste and personality. Her flowers should create a theme to make her wedding day special !

- Determine your florals budget
- Understand that there are no right or wrong choices when selecting flowers for your wedding
- Look through bridal magazines, books, and even gardening books that focus on flowers
- Consider the color of the flowers
- Consider the season (especially here in South Florida)\*
- Start with the bridal bouquet, followed by your entire bridal party
- Finish off by deciding what kind of flowers you want for your ceremony, cocktail and reception areas

## SONG OF THE MONTH

During these tough times, we have to understand we are not in this alone. We will get through this TOGETHER. We have to look out for each other and stay united as one big family. "And if we fall, we will fall together when we rise, we will rise together."
