PRISTINE TIP

"What kind of flowers should you consider for your Wedding?"

Flowers such as roses, hydrangeas, calla lilies, carnations, stock and most all greens are available all year round, so if you are planning on a more traditional palette of flowers, you won't have a thing to worry about with these beauties. A florist will be able to tell you what flowers will be in season for your wedding day, as well as help you come up with ideas that fit your wedding's theme, venue, and very important, your budget!

SONG OF THE MONTH

In the wonderful spirit of Easter, take some time out of your day to listen to Anne Wilson's "Sunday Sermons." Lets remember the gift Christ gave us every single day.

**"EVERY ONE OF THOSE SUNDAY SERMONS
EVERY TIME THAT CHOIR WOULD SING
I COULD HEAR MY SAVIOR CALLING,
TELLING ME HOW MUCH HE LOVES ME"**
