VIVIANA & LUIS

The day had arrived! After 8 months of planning, Viviana and Luis got married last month. From the florals to the food, everything was PRISTINE! It was wonderful to see both of their friends and family celebrate their love. We thank them for trusting us with this amazing event and we wish them a happy and healthy marriage. Cheers!

WEDDING TIP

As planners, we understand that your wedding day is packed full of activities. It seems that you don't have a moment to just sit down, have a bite to eat, and be with your spouse without interruption. Here's a tip: Ask your catering manager or banquet captain if after the ceremony, they can reserve a room with hors d'oeuvres and drinks. You'll have a moment to yourselves!

BETHANY & ISIAH

We wanted to give a special shoutout to Bethany & Isiah for their 1st wedding anniversary! Last year we had the privilege of planning and coordinating their wedding. Needless to say, it was amazing! We continue to wish this lovely couple a lifetime full of happiness, joy, and peace. We miss you!

SONG OF THE MONTH

We are powering through April with Phil Wickham's amazing and moving song "Battle Belongs."

Trials and tribulations will come, but there is someone greater that has the victory.

**"AND IF YOU ARE FOR ME, WHO CAN BE AGAINST ME?
FOR JESUS, THERE'S NOTHING IMPOSSIBLE FOR YOU
WHEN ALL I SEE ARE THE ASHES, YOU SEE THE BEAUTY
THANK YOU GOD"**
