Wedding Tip

WANTS & NEEDS

Wedding planning can quickly become overwhelming with countless decisions to make and options to consider. One valuable tip to streamline the process is to create a "Wants and Needs" list early on in the planning stages. You'll reduce stress and ensure that your big day reflects both your dreams and practical considerations.

Briana & Jesse

Heavenly Father, I pray that Jesse and Briana may have a true and understanding love for each other.

Grant them both with faith and trust. Give them the grace to live with each other in peace and harmony. May they always bear with one another's weaknesses and grow from each others strengths.

God bless you both as you begin this wonderful journey of marriage together. Be happy, be grateful, and love each other well! May today be the beginning of a new tomorrow that you will cherish forever.

1 Thessalonians 3:12-13. May the Lord make your love increase and overflow for each other and for everyone else, just as ours does for you. May he strengthen your hearts so that you will be blameless and holy in the presence of our God and Father when our Lord Jesus comes with all his holy ones.
