FEATURE OF THE MONTH

One of the top wedding trends of 2022 is the use of pearls. Pearls have been used as hair accessories for the bride, cake decor, and wedding veils. Pearls are symbolic for wisdom gained through experience and a perfect reflection for marriage. With such a beautiful symbolism and a delicate and sophisticated design, it's a piece of decor you might want to consider for your Wedding Day!

YOUNG LIVING

Before fall arrives, enjoy nature with fun in the sun! Go for a hike, plan a Pristine Picnic at the park, or camp under the starry night sky. Keep the outdoor vibes flowing with an invigorating blend of Citronella, Pine, Blue Cypress, and Wintergreen essential oils.

A&A'S GRADUATION DINNER

We had an absolute blast coordinating Alan and Andres's graduation dinner for our VIP client. We got to spend our night with their wonderful family and celebrating their accomplishments. From the flowers to the dessert table, everything came together to perfection! Thank you Blanca for trusting us for yet another successful event!

JUAN AND MAIBER

On August 7th, 2021, Juan and Maiber made a commitment to one another to love and cherish each other until death do them part. Pristine was honored to have been apart of their journey. We worked with them since day one, planning meetings and walkthroughs, and it all came together on their wedding day. Pristine continues to wish them a happy and healthy marriage. Cheers to one year of marriage!
