GUEST SIGN-INS

Not sure what to have for your wedding guest book sign-in? After 22 years of working in the wedding industry, we've seen it all! Here are our top favorite wedding guest sign-ins:

- Jenga: Guests can write their best wishes on a Jenga block.
- Telephone: Simply pick up the phone and leave a message!
- Picture frame: Ask guests to sign the blank space surrounding a central photo.

Each of these ideas offers a unique and personal touch that will make the wedding day even more memorable for you and your guests.

PRISTINE REVIEWS

"DO NOT LOOK FURTHER! Seriously, you won't find any company like this! We gave them 2 months prior the wedding to help us out with organizing, planning, hiring vendors. An excellent, super professional, caring, magical team! I felt relieved once Anna started working on our wedding. Always by your side to find the best possible solution, price and help you with suggestions. Down to every single detail, perfectionist! Briana, thank you for all your amazing work, especially on a wedding day! Brilliant!"
