## Quote of the Month

FRED ROGERS

"Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood."

## What Will It Bee?

At Pristine Events of South Florida, we pride ourselves on crafting unique and unforgettable experiences for our clients. One of our recent highlights was an enchanting "What Will It Bee?" baby shower, a whimsical celebration that had everyone buzzing with excitement. This particular baby shower was unique. We celebrated 2 moms working at the same dental office. One will be having a boy and the other momma will be having a girl! Congratulations to the mommas to bee!

## Pristine Reviews

"Anna planned our most recent women's event and she and her team did an extraordinary job! Everything was beautifully decorated, and she went above and beyond to make it special for the ladies attending. Anna is a joy and the women on her team were very professional and attentive. I would highly recommend Pristine Events for any wedding or party planning needs."

## Song of the Month

This month, we're inspired by the uplifting melody of **Phil Wickham's "Psalms 23."** With its heartfelt lyrics and beautiful arrangement, this song offers a sense of peace and comfort, reminding us of the timeless assurance found in Psalm 23. Whether you're planning your big day or simply seeking a moment of reflection, let Phil Wickham's rendition guide you to a place of tranquility and faith.
