MERLOS ANNIVERSARY

02.02.2002

The wedding that started it all! In 2001 my sister, Maria asked me to not only be her Maid of Honor, **BUT** also, her Wedding Planner! It was my last year at the University of Miami and I thought I wanted to be on air as a Sports Reporter. After the Merlos wedding, my **true passion** for planning weddings and events awakened. I am incredibly grateful to the Merlos for trusting me to plan one of the **BIGGEST** days of their life! So this month, I want to **honor** both of them, wishing them a lifetime of happiness filled with God's Faith, Hope and **Love!**
