# 10 Must Have Items for Wedding Emergencies

# The Start of Forever

**NINA & RYAN**

We are thrilled to share the joyous celebration of love that unfolded at Nina and Ryan's wedding in the enchanting city of San Miguel de Allende, Mexico. After seven incredible years with our company, our dedicated Director of Events embarked on a journey of love and commitment. The picturesque landscapes, rich cultural heritage, and vibrant atmosphere set the perfect stage for their special day. We've had the pleasure of witnessing countless love stories unfold, and theirs is undoubtedly one that radiates love, happiness, and genuine connection. From the moment they both decided to embark on this journey together, it was evident that something truly special was in the making. Cheers to Nina and Ryan's love story!

## Song of the Month

HONESTLY, WE JUST NEED JESUS

The New Year has just begun, and there have been many tragedies and victories. As we navigate through the ups and downs of life, we often find solace and inspiration in music.

In the midst of all the mayhem, may Terrian's song "Honestly, We Just Need Jesus" be your companion. The song's powerful lyrics and beautiful melody are like a breath of fresh air, reminding us of the strength and comfort found in faith. Share it with friends, play it during your quiet moments, and let the message resonate. Sometimes, amidst the chaos of life, all we really need is a little bit of Jesus.
