PRISTINE TIP

Let's not forget just how important wedding food tastings really are. From knowing your budget and guests' dietary restrictions to understanding how important the food presentation truly is. Here are some tips to help you prep for your wedding/ food tasting day:

1. Start with looking at your catering menu and ask your Catering Manager what are their top choices or the Chef's choice options.
2. Know your dietary restrictions
3. Keep the group small (Max 4 people)
4. Ask what types of food/fruits are in season for the month of your wedding

WEDDING ATTIRE

Who doesn't love being invited to a Wedding? However, when reading an invitation, the dress codes may seem a little cryptic. Brides of Austin has a great article on this subject, which is linked down below! Black tie or white tie dress codes calls for floor length dresses and tuxedos. Semi-formal, formal, or cocktail attire calls for pantsuits, cocktail dresses, and ties. Casual or tropical attire suggests linen pants, button up shirts with no tie, and a sundress for the ladies. And remember: Never wear white!

SONG OF THE MONTH

For the song of this month, we decided to choose something patriotic in honor of 4th of July. May this remind you of all the freedom that we have gained.

"WHOSE BROAD STRIPES AND BRIGHT STARS THROUGH THE PERILOUS FIGHT O'ER THE RAMPARTS WE WATCH'D WERE SO GALLANTLY STREAMING?"

CELEBRATING
Pristine's
11th Anniversary

Thank you!

This month we are celebrating 11 years of Pristine Events of South Florida. Words can't express how thankful we are to have come so far. We wouldn't be here without our team, our vendors, and our amazing clients. May the Lord grant us many more years in business and may He receive all the honor with every event!

**"FOR I KNOW THE PLANS I HAVE FOR YOU,
DECLARES THE LORD, 'PLANS TO PROSPER
YOU AND NOT HARM YOU, PLANS TO GIVE
YOU HOPE AND A FUTURE."**
