Song of the Month

In honor of Father's Day, we're excited to share our Song of the Month: "**Good Good Father**" by **Chris Tomlin**. This beautiful song resonates deeply with the essence of fatherhood. Its lyrics speak of a father's unwavering love, guidance, and the comfort that comes from knowing he's always there. Just as Chris Tomlin sings about the profound love of our heavenly Father, we are reminded of the incredible earthly fathers who reflect this love in their own families. We hope you enjoy it!

Happy Father's Day!

to our Pristine Dads ...

On this special month, we want to take a moment to celebrate you and all the incredible fathers who have walked their daughters down the aisle, shared a dance, and stood by their sides during one of the most important days of their lives.

Your love, support, and guidance have shaped your daughters into the amazing women they are today. As wedding planners, we see firsthand the deep bond between a father and his daughter, and it's truly inspiring. Your presence and participation in their wedding day added a touch of magic and made it even more memorable.

Thank you for all the sacrifices, the lessons, and the unwavering love you've given. Happy Father's Day to the heroes, role models, and first loves of our beautiful brides.

Wishing you a day filled with joy, love, and cherished memories.

EXODUS 20:12

"Honor your father and your mother, that your days may be long in the land that the Lord your God is giving you."
