CERTIFICATE OF LIABILITY INSURANCE

TIP OF THE MONTH

All events require insurance. It is important to hold on to your certificates of liability insurance which will help provide you important information about your business coverage amounts, policy start and end dates, and the policy numbers. Venues and agents require \$1,000,000 general liability insurance which helps protect your company and all parties involved in the event, which includes the planner, venue, DJs, etc. Play It Safe! Adding additional Insurance will help you meet requirements for all Venue/Hotels.

BRING THE OUTDOORS IN!

We at Pristine love creating flower arrangements at our events and weddings, so we thought we'd share a calming and fun athome activity! Terrariums allow you to bring the wonderful nature elements you love from outside, while keeping things you don't love, like mosquitoes and hot weather, away. These terrariums can be made with materials laying around in your house, such as tins and jars. Enjoy this activity on your own or with family!
