PRISTINE REVIEWS

Where to start? How many people can call the event planner the day before the wedding and say I have a family emergency we need to move the wedding to Sunday? Yes that happened. You know what her response was? I got this. Pristine Events is amazing. Her team are like family to us now. Story doesn't end there. On Sunday it was like a hurricane hit Florida that day. Did her and team panic? Nope. We were having an outdoor wedding at home. She quickly moved into plan B and made it seem that this was always our original plan. Do I recommend Pristine Events? Heck yes! They are the **BEST** hands down.

JUAN & MAIBER

Juan and Maiber got married! Beautiful sunny South Florida gave them the opportunity to have their ceremony and cocktail hour at the beach! It was followed up by the reception at their private estate where the guests ate, danced, and congratulated the newly weds. It was another successful event! Thank you to all our vendors that helped us make their Wedding **PRISTINE.**

FLOWER OF THE MONTH

The September birth flowers are Aster and Morning Glory. Considered the 'star' of the show, Aster flowers were named after the Greek word for 'star' because of their shape. Asters are beautiful, dainty blooms that come in many colors but mainly pink, white, red or lilac.

9/11 MEMORIAL

20 years ago about 3,000 American lives were lost in the terror attacks that struck New York City. This month we remember all the victims and heroes that are no longer with us today. Let's also commemorate the survivors of that day. Join us in honoring their lives this month.

SONG OF THE MONTH

"Cover Me In Sunshine" showcases Pink's bond with her daughter. With its upbeat tune and positive lyrics, this song will surely cover you in sunshine.

**"COVER ME IN SUNSHINE
SHOWER ME WITH GOOD TIMES
TELL ME THAT THE WORLD'S BEEN
SPINNING SINCE THE BEGINNING
AND EVERYTHING WILL BE ALRIGHT"**
