

Dearest Gentle Reader...

The whispers drifting through the ton are indeed correct. Kopi Bar and Bakery shall graciously continue the beloved tradition of our Bridgerton-inspired High Tea.

As Season 4 debuts on January 29, one is encouraged to don their finest attire and get ready their most delightful company — for High Tea reservations shall begin January 31 through March 1, 2026.

It would be most unwise to delay... for society's most eager attendees are already stirring.

*With affection and Kopi,
Lady Whistledown*
