CONFERENCE MOBILE EVENT GUIDE

Our mobile event guide is available online as a website and as an app on your mobile device when you save the site to your home screen. The event guide will provide access to the most up-to-date information including schedules and itineraries, speaker bios and presentations (if and when available/provided), maps, and much more. During the conference, attendees will also be able to submit surveys for each session using the feedback feature, for chances to win prizes.

From your computer, access: <http://www.cvent.com/d/5yqdtm>

From your mobile device, access: <http://www.cvent.com/d/5yqdtm/5C?dvce=2> and save to your device's home

screen. For iPhone users, choose this icon:  and then choose "Add to Home Screen". Follow prompts and the app will appear on your home screen. [To add to your home screen on Android or other devices, click here](#)

MEETING SPACE

The exhibit hall, general sessions, conference check-in/registration, Mason Bar and Lyric breakout room are located on the Lobby Level. All breakfasts and breaks will be served inside the exhibit hall, and lunches inside the general session room. All other breakout rooms are located on the Mezzanine Level.

MEALS & DINING OPTIONS

Your conference registration includes two evening receptions on Monday and Tuesday with passed hors d'oeuvres and drinks (cash bar available after drink tickets), and breakfast, breaks and lunch on Tuesday and Wednesday. If you have previously communicated a dietary request, note that you will receive a card during summit check-in to provide to any banquet server to request a special meal. Pre-Paid guests are invited to join us for both evening receptions.

There are several dining and entertainment options nearby, if you'd like to make reservations following either reception.

Discover Nashville- The Loews is less than a mile to Music Row, which is filled with restaurants and great music.

WHAT TO PACK/DRESS CODE

Our conference is business casual. All events and meetings are indoors. We suggest bringing layers in case some of the meeting rooms fluctuate in temperature.
