President's Notes

I HOPE YOU HAVE A GOOD Christmas and Happy New Year. We are looking to having a good Farm Show this year, but we will not know for sure until a day or so before the opeinging. Yes, we will have peanuts.

We have a few events scheduled or planned for the coming year, such as the fund-rasinging auction in February. If you have some good thoughts for an event or show, let us know.

Let's clean-up, touch-up our tractors for the Farm Show!

Wishing you a Happy New year.

John Campbell

MERRY CHRISTMAS AND A HAPPY NEW YEAR!

Farm Show December 12,13 & 14th. See Page2

The club would like to thank all members for making 2024 a very successful year. We were not able to make all our planned events but we did do one unusual event. The PASTURE RIDE was a great success and we plan to do it again in 2025. We want to thank Harold McDonald and his wife Debbie for hosting the event. We also picked up some new members in 2024, we welcome those to OATA. Unfortunately we have learned that Pryor, Oklahoma will NOT be hosting the Bluegrass Chili Festival in 2025. Dell Davis, the event organizer, is already looking at two locations for next year. We will let you know the new location as soon as possible. We had a very successful show in Pryor and had hopes of going back there in 2025. A special "shout-out" goes to Chris Edwards and his son for all the extra work they did on the hay press. Let's plan on doing a bang-up show, where ever we are, next year.

Farm Show December 12,13 & 14th.

The Farm Show will be at Expo Square, Tulsa, in the Sage Net Center. This is always a nice show as it is indoors and we see a large number of visitors. As in the past we do not know of how much space we will be afforded until the very last minute. We want as many tractors as we can get, but we do not want to turn anyone away. If you are concerned about a space for your tractor, you can call John Campbell Tuesday Evening or Wednesday Morning, for the latest news, 918-446-4229 or cell: 918-289-7109. Let's hope for a large space and good weather.

See ya there!
