### President Young's Notes

Hello All,

Fall has finally got here, and it is getting a little bit chilly, but it is still nice enough to work on projects. Our next upcoming show is at the Tulsa Farm Show, hope everyone can bring a tractor. We've been doing this show for many years. People who attend like seeing the older farm equipment. Another exciting event coming up in February is our Valentines Dinner/Auction that we have each year. This year is going to be a little more special as we have a Club Anniversary of 30 years to celebrate. Also happening at that meeting will be our voting for officers and board members. Our club officers and board membership are open to anyone in the club who would be interested in serving. So, we will have a fun night on February 5<sup>th</sup>! I hope to see you there.
