**PRODUCED, WRITTEN, DIRECTED BY & STARRING:**  
**AIDAN ESLINGER**

Aidan Eslinger is currently a 17 year old author, playwright, filmmaker, producer, and director from West Memphis, AR. He has been writing professionally since he was 8 years old when he produced his first stage play "Steve Comes Home" in 2014. In 2018 he reached new heights early in his career with the production of "Aidan Eslinger's Sister Secrets".

Aidan has published three books. *The Colorful Sky*, *What I Can Be From A-Z*, and *The King of Pangea*. Along with his success in children's books, he's amassed thousands of views online. His short film "Justice" and his five part web series "Consent" both on YouTube, have become very popular.

Although Eslinger has performed in most of his projects, he decided to challenge himself in this play by playing two characters. Lil Devin, a character Aidan has been playing since his first play, is funnier than ever and has a new look. Rufus, his newest character is an over the top, grumpy, and hilarious old man who audiences will love.

As Aidan gets older, his goal is to elevate his projects and perfect his craft as an entertainer. He recognizes none of this would be possible without the Lord! He also wants to thank all of his supporters for his success so far.
