

Rhinebeck Democrats Club
Steering Committee Meeting
May 24, 2023

Commenced: 4:48

The meeting took place via ZOOM

Attendees: Shirley Stone, John Rossi, Sandy Zito, Mel Donaldson

Guest: Susan Ragusa

The Committee met to address two issues that have arisen within the Club.

The first was to accept David Weiner's resignation from the Club, sent via email on May 19, 2023.

John moved to formally accept this resignation. After being seconded by Shirley, the measure was approved by the other Committee members.

An email will be sent to David informing him of this action. We will also offer an opportunity for him to share the reason for his resignation and to assure him that he will always be welcomed back as a member of the Club.

A related issue involved the need to fill David's vacated responsibility as Corresponding Secretary. John made a motion to have Susan Ragusa act as the interim replacement. After Shirley seconded this motion, the other members voted in agreement.

Further discussion will be needed to discuss the length of this temporary position. It was also decided that the current bylaws will need to be amended to address unexpected vacancies that may occur within the Steering Committee.

Meeting adjourned: 5:45
