*Dates are subject to change based on the needs of the school; prior notice will be given to families with an updated calendar should any dates need to change. *

- Parent/Teacher Conferences: Signups will be prior to conferences starting dates. Each classroom gets 1-2 days depending on classroom size and you will be able to sign up for a ½ hour time slot for your child's class.
- Professional Development: Days we close for Professional Development so that our team can keep their minds sharp and develop their skills further.
- Imagination Day: To be respectful of all cultures and religions within our program instead of celebrating Halloween, we encourage the children to use their imaginations to dress up.
- Picture Day: You will receive a flyer with your child's day and details prior to
- Teacher Appreciation Week: Each year we celebrate our staff for a whole week by pampering them! We ask families to donate \$25 towards this event and we match every donation so we can properly shower our staff with treats. *We close two days to take them on a special trip each year*
- Pre-k Graduation: Our oldest children heading off to Kindergarten in the fall will participate in our Graduation and information will be sent to graduate families prior to this event.
