JMXi
TECHNOLOGY SOLUTIONS SIMPLIFIED

NAC
(Network Access Control)

Cisco ISE: 12 Years Multi-National integration experience up to +40 Node deployments; Hybrid On-Prem Cloud via Multi-OEM Load Balancers

ClearPass: 11 Years Multi-National experience +40 Node deployments Hybrid OnPrem/Cloud via F5/Kemp Citrix & HAProxy Load Balancers

Multi-Vendor: Forescout Portnox/AppGate/CloudPath ExtremeControl, FortiNAC MetaAccess, PacketFence

Automation: API Script automation, 3rd Party custom AddOns/PlugIn extensions integration

NAC Services Overview

JMXi has Global Teams of Network & Security Engineers offering a wide range of Professional & Managed Security Services across all facets of Enterprise IT design consultation remediation, and implementation. NAC is amongst our key areas of focus with Network Security Engineers having years of expertise across industry leading NAC solutions. We are able to combine our NAC expertise with critical integration points like SASE, XDR CA/PKI design, Wireless/Wired/VPN security Micro-Segmentation MACSec, Policy Based Groups/Tags, Load Balancers, OT integration, UEM, CMDB, SIEM, UEBA Firewall, GeoIP, BLE, IPAM and more.

Cisco ISE
CISCO

- All code versions ISE design/migration/deployment HyperCare, remediation, TrustSec, MACsec, IPsec RADIUS DTLS, EAP-FAST, Posturing, BYOD Profiling OT, ICS, IIoT, MIoT telemetry + controls
- <u>Integrations:</u> InTune/MEM, DigiCert, Okta DUO Qualys, Tenable, Rapid7, Infoblox, SOTI, Sentinel CrowdStrike, Splunk, ServiceNow, JAMF, Ivanti
- ISE REST API, ERS customization + automation
- <u>Cisco Expertise:</u> DNAC/DNA Spaces, ACI, AI/CX Cloud, 5G, Intersight, HyperFlex, WLC, CTA, UCS Cyber Vision, SecureX, StealthWatch, SEA, SSE PxGrid, Umbrella, AMP, ASA/FTD, UC & more

Aruba ClearPass
CLEARPASS — Hewlett Packard Enterprise — aruba

- All code versions of ClearPass design, migration deployment/HyperCare/OnGuard/OnBoard/Insight OnConnect, RadSec, WebHooks, Guest Wireless monetization, advertising, custom Captive Portals REST XML API automation + programmability
- <u>Integrations:</u> Okta, DUO, InTune, JAMF, Rapid7 Tenable, Qualys, Sentinel, CrowdStrike, Palo Alto Infoblox Splunk ServiceNow Ivanti SOTI DigiCert
- <u>HPE/Aruba Expertise:</u> NetEdit, NAE, UXI, AIOps NetConductor, Fabric Composer, Aruba Central SilverPeak, Mobility Master, Indoor/Outdoor WiFi Meridian/Beacons AOS-CX 9x00/7x00 Controllers

NAC Compliance

- NAC best practices + IT security assessments
- NAC reporting/logging/alerting, API customization
- TACACS RBAC analysis, change history audits
- RBAC Roles + Menu/Data access customization
- Dynamic Enforcement + Access Control policy elements + endpoint/profiling conditions building
- NAC Security + Compliance Pre-Audit services
- PCI, HIPAA Pre-Audit preparation + consulting
- <u>Pen Testing:</u> NAC, Internal, External, Wireless WebApp/Onsite Exploits/Physical Access Control

NAC MSP
SLA

- 24/7/365 Security Operations Center + IT Support
- Hybrid Cloud NAC Governance, Change Mgmt.
- NAC Migrations To/From any Vendor/OEM product
- AI + Automation via NAC REST API customization
- On-Prem VM, Cloud Node NAC auto-provisioning
- SIEMaaS, Syslog Proxy custom filters, log analysis
- NAC focused SIEM logging keyword alert triggers
- NAC + (any) Load Balancer combined MSP options
- Wired, WiFi, VPN NAC MSP customized solutions
- <u>NACaaS:</u> 24/7/365 NAC proactive monitor/alerting
