## CONSULTANT TO LOCAL GOVERNMENT

---

GOVERNMENT CONSULTING PARTNERS, Inc.  
FOUNDER AND CEO

*"With a desire to get back to my roots, I have recently formed a small consulting firm with a very limited focus: the calculation of the full cost of local government services and guidance of cities through any federal or state approval process required."*

### MGT OF AMERICA

SENIOR INDEPENDENT CONSULTANT 2014 - 2023

Led major projects with a select number of California cities. Focused solely on cost allocation plan development, general fund user fee analysis, and assisting cities to navigate federal and state approval processes.

### AFRICA

2008-2013

Lived in East Africa and worked on humanitarian funded projects for AID agencies such as UNHCR.

### PUBLIC RESOURCE MANAGEMENT GROUP

FOUNDER AND CEO 2002- 2007

Upon leaving Maximus, established a company focused solely on the development of the cost analysis of local government services. These services included user fee studies, cost allocation plan development and SB 90 claiming. PRM was later acquired by MGT of America.

### MAXIMUS/DMG

SECTION PRESIDENT AND EXECUTIVE VICE PRESIDENT

1999-2001

Managed the Western region office of Maximus. Led the office to exponential growth and success with local and state governments.

### DAVID GRIFFITH AND ASSOCIATES (DMG)

VICE PRESIDENT 1982 - 1998

Started as a junior consultant, and concluded my career with DMG as the Western Region Vice President when the firm was sold to Maximus.

### CLIENT HIGHLIGHTS

#### City of Inglewood, CA

Mr. Brad Wilkes has been consulting annually with the city for the past 5 years as city departments manage the change from a "sleepy" suburb in Los Angeles to a thriving world class destination for sports enthusiasts and a world class entertainment hub. He has worked with building, planning, public works, and code enforcement as their mix of development has shifted from residential to mixed use and commercial. We are currently

### ABOUT ME

In the forty years of teaming with city government staff I have found the most important aspect of consulting is 1) doing what you say you will do and 2) communicating with the stake holders every aspect of the project goals, objectives, and timeline.

partnering with the city on a comprehensive city-wide fee study that includes, recreation, police, public works, building safety, planning, code enforcement, housing, parking, and miscellaneous fee located in the department of finance and city clerk.

### **City of Santa Ana, CA**

Mr. Brad Wilkes has worked closely with the city's public works - development - divisions for the past seven years. In addition to this work, GCP was recently selected by the city to expand our full cost/user fee services to both the general fund and non-general fund development divisions: Indirect Cost Rate Proposal development for PW divisions (submitted to Caltrans annually), Full Cost User Fee calculations, and agencywide cost allocation to spread PW administration costs to both enterprise funds and general fund programs.
