

## 2 MONTH VISIT—PARENT

### SAFETY

- Use a rear-facing-only car safety seat in the back seat of all vehicles.
- Never put your baby in the front seat of a vehicle that has a passenger airbag.
- Your baby's safety depends on you. Always wear your lap and shoulder seat belt. Never drive after drinking alcohol or using drugs. Never text or use a cell phone while driving.
- Always put your baby to sleep on her back in her own crib, not your bed.
  - Your baby should sleep in your room until she is at least 6 months old.
  - Make sure your baby's crib or sleep surface meets the most recent safety guidelines.
- If you choose to use a mesh playpen, get one made after February 28, 2013.
- Swaddling should not be used after 2 months of age.
- Prevent scalds or burns. Don't drink hot liquids while holding your baby.
- Prevent tap water burns. Set the water heater so the temperature at the faucet is at or below 120°F /49°C.
- Keep a hand on your baby when dressing or changing her on a changing table, couch, or bed.
- Never leave your baby alone in bathwater, even in a bath seat or ring.

## WHAT TO EXPECT AT YOUR BABY'S 4 MONTH VISIT

### We will talk about

- Caring for your baby, your family, and yourself
- Creating routines and spending time with your baby
- Keeping teeth healthy
- Feeding your baby
- Keeping your baby safe at home and in the car
