## 2 YEAR VISIT

Here are some suggestions from Bright Futures experts that may be of value to your family.

### ✓ HOW YOUR FAMILY IS DOING

- Take time for yourself and your partner.
- Stay in touch with friends.
- Make time for family activities. Spend time with each child.
- Teach your child not to hit, bite, or hurt other people. Be a role model.
- If you feel unsafe in your home or have been hurt by someone, let us know. Hotlines and community resources can also provide confidential help.
- Don't smoke or use e-cigarettes. Keep your home and car smoke-free. Tobacco-free spaces keep children healthy.
- Don't use alcohol or drugs.
- Accept help from family and friends.
- If you are worried about your living or food situation, reach out for help. Community agencies and programs such as WIC and SNAP can provide information and assistance.

### ✓ TALKING AND YOUR CHILD

- Use clear, simple language with your child. Don't use baby talk.
- Talk slowly and remember that it may take a while for your child to respond. Your child should be able to follow simple instructions.
- Read to your child every day. Your child may love hearing the same story over and over.
- Talk about and describe pictures in books.
- Talk about the things you see and hear when you are together.
- Ask your child to point to things as you read.
- Stop a story to let your child make an animal sound or finish a part of the story.

### ✓ YOUR CHILD'S BEHAVIOR

- Praise your child when he does what you ask him to do.
- Listen to and respect your child. Expect others to as well.
- Help your child talk about his feelings.
- Watch how he responds to new people or situations.
- Read, talk, sing, and explore together. These activities are the best ways to help toddlers learn.
- Limit TV, tablet, or smartphone use to no more than 1 hour of high-quality programs each day.
  - It is better for toddlers to play than to watch TV.
  - Encourage your child to play for up to 60 minutes a day.
- Avoid TV during meals. Talk together instead.

### ✓ TOILET TRAINING

- Begin toilet training when your child is ready. Signs of being ready for toilet training include
  - Staying dry for 2 hours
  - Knowing if she is wet or dry
  - Can pull pants down and up
  - Wanting to learn
  - Can tell you if she is going to have a bowel movement
- Plan for toilet breaks often. Children use the toilet as many as 10 times each day.
- Teach your child to wash her hands after using the toilet.
- Clean potty-chairs after every use.
- Take the child to choose underwear when she feels ready to do so.
